**Date: 22/07/2022**

Dear Parents,

Greetings from TNREA!!

We, at TNREA, would like to encourage our children to be enthusiastic and competitive in their mind and spirit. We are glad to share with you all that SOF Olympiads are back in OFFLINE mode this year. We are happy to share the details of the International SOF-Olympiad 2022-23 conducted by Science Olympiad Foundation(SOF).

**About SOF:** SOF is an Educational Organization popularizing academic competition and assisting development of competitive spirit among school children.

SOF was established by leading academicians, scientists and media personalities with the aim of promoting Science, Mathematics, Computer Education, English, Social Studies, General Knowledge and professional courses. Science Olympiad Foundation has been striving for close to 25 years to promote scientific attitude and temperament through innovative activities and use of IT in learning process that involve school students across the globe.

SOF promotes education, explores potential and develops competitive spirit among school children. SOF aims to assist students at widening their horizon beyond school books and prepare to excel in today's highly competitive environment. SOF Olympiad exams are diagnostic tests to identify weak areas in each student and improve them through focused efforts. SOF Olympiads also acknowledge good performance, motivate and make students competition ready.
