Dear parent,

Greetings!

As per CBSE Board, Grade X Mathematics board exam is of TWO Levels.

1. Standard Maths
2. Basic Maths

Standard Maths can be opted for the students who **want to pursue maths** in class 11 and 12 and further in their career. They are eligible to take any group like PCMB or PCM or commerce with maths.

Basic Maths is for students who are **not interested** in taking maths for class 11 and 12 and in their career. They can take any group without maths in class 11 and 12.

The syllabus for both Basic Math and Standard Math is same.

Kindly give your option by filling the below format for STANDARD OR BASIC Maths for your child to appear for GRADE X BOARD exam-2022-23.

I, Parent of _____ (Name of student) of Grade X, studying at TNR Excellencia Academy, want my son/daughter to opt _____ Maths
